Subject: **INVITATION TO “DIGITAL TAYO: AN INTRODUCTION TO DIGITAL CITIZENSHIP”**

In consideration of the changes brought about by the COVID-19 pandemic, the Bureau of Learner Support Services - Youth Formation Division (BLSS-YFD), in cooperation with the Kool Adventure Camp of the Ramon Aboitiz Foundation Inc. (RAFI-KAC), has transitioned approaches to be more responsive to the emerging needs in youth engagement and development. In this connection, an interactive course titled *Digital Tayo: An Introduction to Digital Citizenship* will be conducted.

As an overview, RAFI Center for Leaders has partnered with Facebook and AHA Behavioral Learning Design to implement Digital Tayo for young leaders across different sectors. The program is more than just digital literacy since it promotes digital citizenship. It is designed to foster the development of characteristics and vital skills such as empathy and advanced use of tools for online safety and well-being.

Further, Digital Tayo shall help student leaders cope with the ongoing pandemic by providing a digital literacy program, which in turn would encourage critical thinking and thoughtful sharing online. At the end of the session, the participants will be able to reflect and understand the idea of becoming responsible social media users or digital citizens.

The interactive course also aims to discuss and introduce the following:

1. communicating online with empathy and understanding;
2. being critical with information online; and
3. setting appropriate steps to ensure security of online identity.

In line with this, the BLSS-YFD is **inviting all division Supreme Student Government Federation Presidents to participate** in the said activity **via Zoom**.
