 - B. In light of the implementation of the Basic Education – Learning Continuity Plan (BE-LCP) starting SY 2020-2021, it is understood that the nature of work of the Teacher-Broadcasters shall **commensurate as regular teaching load**, as prescribed in RA No. 4670 or the Magna Carta for Public School Teachers, within the period of their reassignment.

C. General Guidelines for the RPMS Alternative Classroom Observation

- A. The alternative classroom observations for RPMS is considered only for SY 2020-2021 due to the absence of or limited capacity for face-to-face learning. There should be two (2) classroom observations for the entire school year.

Hence, ratees should submit two classroom observation tool (COT) rating sheets/inter-observer agreement forms as MOV for objectives that require such (i.e., Objectives 1, 5, and 7). The alternative classroom observations should follow this timeframe:

- a. CO 1 – between January and March 2021
 - b. CO 2 – between April and May 2021
- B. In lieu of the classroom observation of the teacher-broadcasters (on-cam and off-cam) and members of the production team will use their DepEd TV video episodes (Observation of a video lesson) this is pursuant to **DM-PHROD-2021-0010** following the guidelines below:
- A video lesson must be SLM-based or MELC-aligned. A teacher can use any recording device to record herself/himself while teaching a lesson.
 - A video lesson can be stored in a cloud (e.g., Google Drive) or any storage device (e.g., flash drive), or uploaded to an online classroom (e.g., Google Classroom) or a Learning Management System.
 -
- C. The BHROD and the ICTS-Educational Technology Unit established a Technical Working Group which will work on the RPMS-PPST of the teacher-broadcasters and members of the DepEd TV Remote Team. The ICTS-Educational Technology Unit provided the Terms of Reference, Job Descriptions and list of MOVs of the teacher-broadcasters and members of the production team.
- D. The role of the teacher-broadcasters play an important role in the delivery of basic education learning continuity plan. In this regard, the teacher-broadcasters (on-cam and off-cam) will be considered as a **National Demonstration Teacher** following the alternative classroom observation processes as stipulated in the **DM-PHROD-2021-0010**.

The Office of the Schools Division Superintendent shall submit a report on actions taken within the next five working days to the ICTS-EdTech Unit.

See attached Annex A for the comprehensive list of teacher-broadcasters and members of the production team and Annex B for the Terms of Reference for the teacher-broadcaster and members of the production team.

For all future correspondence and queries on the above-mentioned subject, please contact Mr. Salvador E. Manansala I, Educational Technology Specialist of the Information and Communications Technology Service – Educational Technology (ICTS-EdTech) Division, through 0929 182 8660 or email at salvador.manansalai@deped.gov.ph.

For immediate and appropriate action.
