MEMORANDUM

17 February 2021

For: **School Heads and Principals
ETULAY Teacher Volunteers
All Other Concerned**

Subject: **ETULAY ONLINE TUTORIAL**

In line with the innovation projects of the Information and Communications Technology Service - Educational Technology (ICTS-EdTech) Unit and the different blended learning modalities under the Basic Education Learning Continuity Plan (BE-LCP), the ETULAY online tutorial was conceptualized on 04 January 2021. ETULAY combines the acronym for Educational Technology Unit (ETU) and *tulay* (Filipino term for “bridge”).

The said initiative which follows the webinar format has the following objectives:

- guide learners in answering self-learning modules (SLMs),
- ensure that learners fully understand important concepts,
- assist teachers in the delivery of lessons, and
- promote the confidence of parents and guardians in facilitating distance learning.

With consideration to the current challenges in the delivery of basic education, many teachers came forward to share their personal time and deliver tutorial sessions to learners. Kindly note that this activity does not disrupt their regular classes and function as teachers.

For more information on ETULAY teacher volunteers and their schedule for the Second and Third Quarter of SY2020-2021, kindly refer to Annex A.

The Office of the Undersecretary for Administration (OUA) congratulates and appreciates our teacher volunteers for sharing their knowledge, time and effort for the benefit of Filipino learners. The spirit of *bayanihan* is the key element in this endeavor which will ensure education continuity amidst the global pandemic.
